SUPPLEMENTAL DECLARATION

As a below named inventor, I hereby declare that:

My residence, post office address and citizenship are as stated below next to my name;

I believe that I am the original, first and sole inventor of the subject matter which is claimed and for which a patent is sought on the invention entitled

ERROR DIFFUSION WITH AVERAGED DIRECTION BIASES

was filed on October 15, 2003, Application Serial No. 10/684,641, the original declaration for which was executed by me on October 10, 2003.

I hereby restate that I reviewed and understood the contents of the above identified specification, including the claims. I further state that the application as reviewed and executed by me contained page 5, a copy of which is attached to this supplemental declaration.

I have reviewed the provisional preliminary amendment which is being submitted herewith and understand the purpose for which it is being submitted. I hereby state that none of the material on page 5 is material to an understanding of my invention and, therefore, if page 5 was omitted when the application was filed in the Patent and Trademark Office, the disclosure of my invention was nevertheless complete for a full understanding by one skilled in the art so as that my invention could be made and used by one skilled in the art.

I acknowledge the duty to disclose information which is material to the examination of this application in accordance with Title 37, Code of Federal Regulations, §1.56(a).

I hereby declare that the statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.
